

Give the Gift of Empowerment

CONNECTIONS TO SUCCESS

Break the cycle of poverty, one family at a time

Connections to Success, whose Mission is “To empower determined individuals with a plan and resources to reach economic self-reliance,” needs you! Since 1998, your donations have allowed us to drastically improve the lives of hundreds of families in the St. Louis metropolitan area.

We ask for your continued support, as we continue our work within the most challenging communities of our region.

“Hope is the companion of power and the mother of success; for who so hopes has within him the gift of miracles.” —Samuel Smiles, 19th Century Author

As our community partner, your commitment will allow us to provide education, training, and critical resources to men, women and children who are overcoming poverty, lack of access to resources, family struggles and unemployment. The key to their success is in restoring hope and presenting them with an effective plan for economic self-sufficiency.

Your pledge of any of the amounts listed below will help to make a significant impact in the lives of our participants. We thank you for joining us in empowering participants of these services.
